YOHO Remains Strong; Holds Annual Open Studio Event

Visit YOHO studios this Yonkers Arts Weekend.

In a time of adversity and devastation, a community will either crumble under the threat of ruin, or grow into something even stronger. In the case of the fire that devastated 222 Lake Ave. in January, despite significant smoke and water damage to 578 Nepperhan Ave., the YOHO artist community's spirit never wavered.

Like a Phoenix rising from the ashes, in just three short months, YOHO Artist Studios and CMAD have proven to be unbreakable – and even strengthened as an artist community all just in time to launch the 14th annual YOHO Artist Open Studios.

The studios are undergoing a brand enhancement and recently unveiled a new sign and updated graphics in celebration of this milestone. Artists and owners have persevered, growing their roots even deeper into the Yonkers community, broadcasting their identity and visibility more prominently than before.

The YOHO 14th annual Open - Studios event will feature 50 participating artists (which is a part of the fourth annual Yonkers Arts Weekend) and will run from noon to 5 p.m. May 6 and 7. For more information, visit www.yohoartists.org.
